

## Create a PKC account

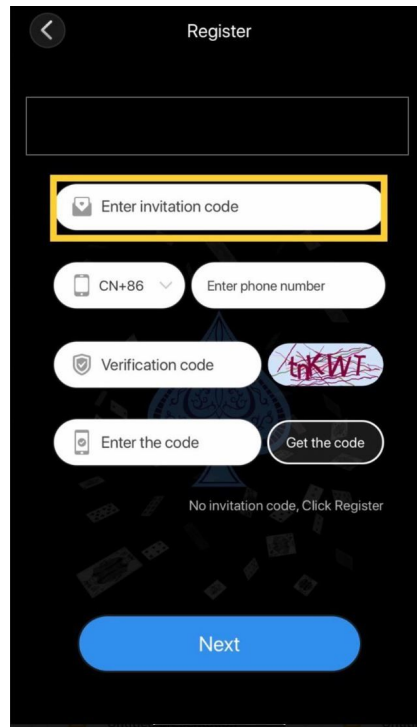

1. Launch the PKC app. You will be prompted to accept PKC notifications

2. Select Register to create a PKC account

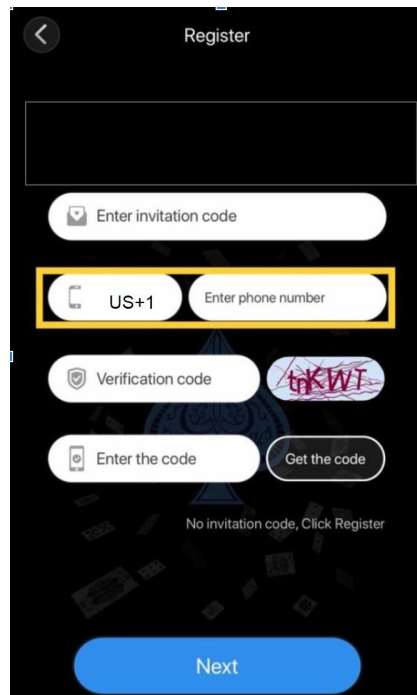

3. Enter your invite code (Get the invite code from your Community Head or Agent)

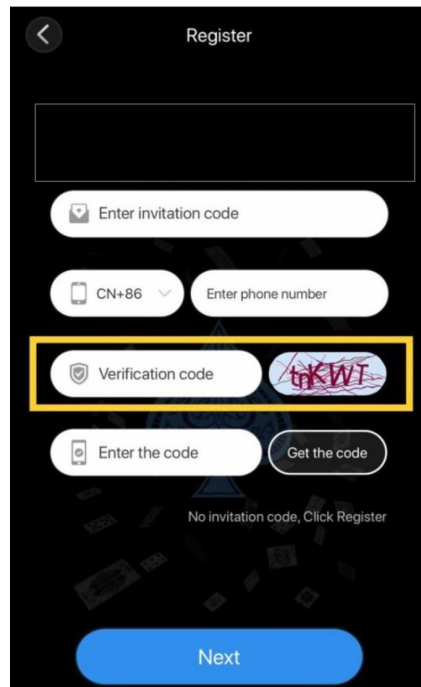

The screenshot shows a mobile application interface for registration. At the top, there is a back arrow and the title "Register". Below the title is a large empty rectangular box. Underneath is a white input field with a checkmark icon and the text "Enter invitation code", which is highlighted with a yellow border. Below this are two white input fields: the first has a dropdown menu showing "CN+86" and a phone icon, followed by "Enter phone number"; the second has a shield icon and the text "Verification code". To the right of the verification code field is a red button with the text "tkWT". Below these are two more white input fields: "Enter the code" with a phone icon, and "Get the code" with a checkmark icon. At the bottom, there is a blue button labeled "Next". A small text note at the bottom center reads "No invitation code, Click Register".

4. Select country code US+1 and enter your mobile number

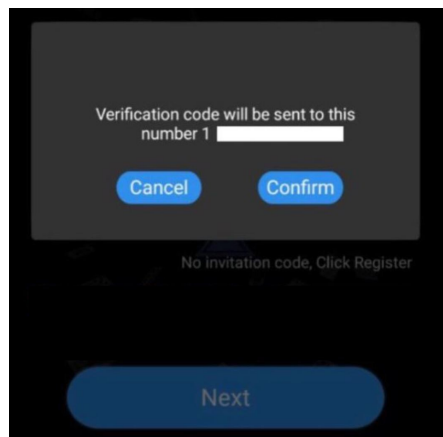

The screenshot shows the same mobile application interface as above. The dropdown menu for the country code is now set to "US+1" and is highlighted with a yellow border. The "Enter phone number" field next to it is also highlighted with a yellow border. The rest of the interface, including the "Enter invitation code" field, the "Verification code" field, the "tkWT" button, the "Enter the code" and "Get the code" fields, the "Next" button, and the "No invitation code, Click Register" text, remains the same.

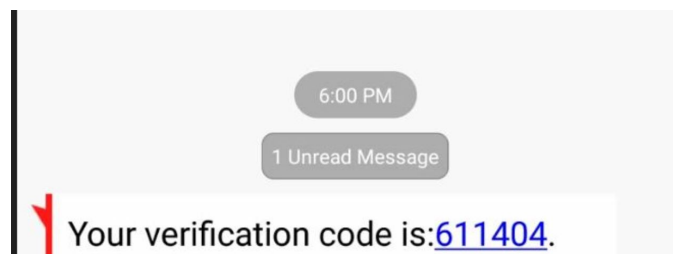

5. Enter verification code, then click on Next

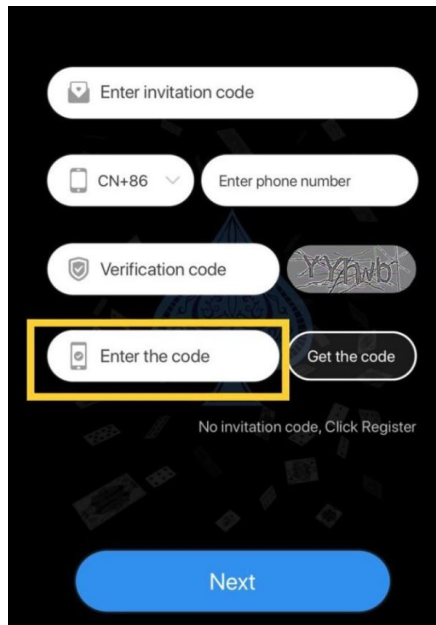

6. Verification code will be sent via text message

7. Retrieve verification code sent to your mobile phone

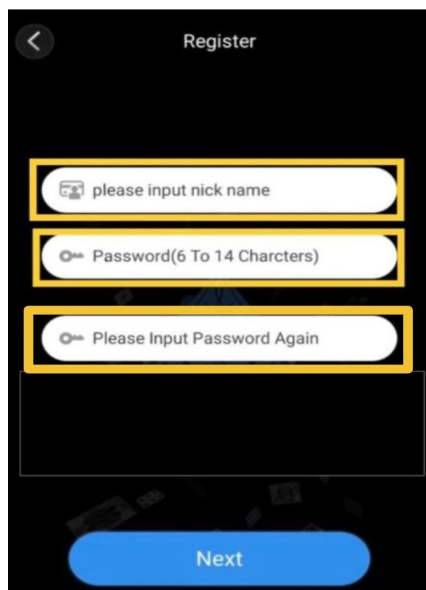

8. Enter the code, then click on Next

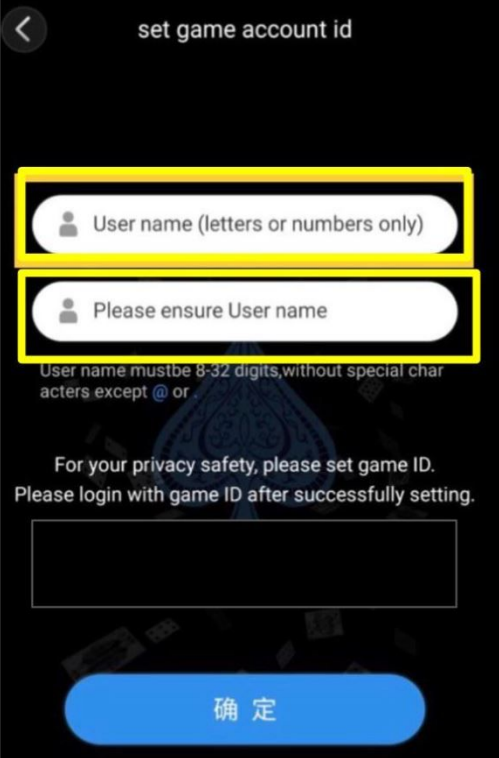

The image shows a registration form on a dark background. It contains several input fields: 'Enter invitation code', 'CN+86' (country code dropdown), 'Enter phone number', 'Verification code', and 'Enter the code'. A 'Get the code' button is next to the 'Enter the code' field. Below the fields is a link that says 'No invitation code, Click Register'. At the bottom is a large blue 'Next' button. The 'Enter the code' field and the 'Next' button are highlighted with a yellow border.

9. Create nickname (name that is displayed for other players to see), password, confirm password, then click on Next

The image shows a registration form titled 'Register' on a dark background. It has a back arrow in the top left. The form contains three input fields: 'please input nick name', 'Password(6 To 14 Charcters)', and 'Please Input Password Again'. A 'Next' button is at the bottom. The three input fields and the 'Next' button are highlighted with a yellow border.

10. Create username (this is your login ID you will use to log into the app), re-enter username, then click on Next
